

# Cleanup is Saturday

Rain or shine - and at mid-week showers were predicted - the annual clean up of Cumberland and Lincoln streets will go on this Saturday.

This is an effort by *The Valley Breeze*, the towns of Cumberland and Lincoln and the Blackstone Valley Tourism Council's Keep America Beautiful campaign.

As in past years, volunteer residents in Cumberland will be dispatched to collect roadside debris in bright yellow bags, then leave the bag at the side of road for pick up by town workers.

Public Works employees in both towns will pick up the bags later in the day.

*Valley Breeze* Publisher Tom Ward is suggesting that volunteers pick up bags in advance at *The Valley Breeze* office or Lincoln Town Hall and get right to work on Saturday.

However, he will be at the office, 2190 Mendon Road, from 7-8:30 a.m. Saturday morning with extras.

Dunkin' Donuts will supply coffee at the *Breeze* office to jump start the morning.

Contact *The Valley Breeze* at 334-9555, ext. 123, or e-mail [tward@valleybreeze.com](mailto:tward@valleybreeze.com) to volunteer in Cumberland.

In Lincoln, call Dave Sale at 333-8424. (*See more details in ad on Page 2.*)
